

Frenchtown Neighborhood Improvement Association

A Non-Profit Corporation

Dear Santa's Helper:

President
Regina M. Davis

Vice President
Aldria R. White

Vice President
Ann Roberts

Treasurer
Kenneth Barber

The holiday season right is around the corner and once again the Frenchtown Neighborhood Improvement Association (FNIA) and the Frenchtown Community Development Corporation is sponsoring the Soul Santa event to be held at the 4th Avenue Recreational Center on December 17, 2004. Soul Santa has become an annual, and a much anticipated tradition in Frenchtown. It is an opportunity for the community to give gifts to children who might not be able to receive a gift during the holiday season. Last year we raised over \$5,000.00 and purchased food and toys (over 500) for approximately 800 children. Unfortunately, not every child received a gift and therefore our goal this year is to have 800 gifts.

I am asking your organization to donate to this worthwhile cause. We are accepting monetary donations in order to purchase toys that will be given to each child. Once again, we would also like to purchase bikes, skates, and skate boards for the event.

Thank you in advanced for your kind consideration. We have also included pictures of some of the items purchased last year. If you have specific questions about the event sponsorship, please contact me at 222-3655 or 443-0683.

Sincerely,

Aldria R. White
